Honorable Consuelo B. Marshall

1 After reviewing the defense submission of declarations and
2 evidence, the plaintiff agrees that the ADA violations have been remedied
3 and the sole federal remedy has been rendered moot. On that basis, the
4 plaintiff does not oppose the defense motion as to the ADA claim.
5 Additionally, the plaintiff does not oppose the defense request that this
6 Court decline to exercise supplemental jurisdiction and dismiss the state
7 claims without prejudice to refile in state court.
